Provides that consent to sexual conduct is not a defense. Defines "sexual conduct". Specifies that a minor who commits an offense under section 712-1207(1)(a), HRS, shall be guilty of a violation instead of a petty misdemeanor. Provides that a person who reports that the person is a victim of sex trafficking shall not be subject to criminal liability for an offense involving sex trafficking or prostitution. Increases the penalties for commercial sexual exploitation of a minor. Requires DHS to implement services and programs for survivors and training for law enforcement. Appropriates funds. Incrementally increases the general excise tax over four years, with the increased proceeds during certain fiscal years to be deposited into the general fund. Removes the state income tax on unemployment compensation benefits. Doubles the standard deduction for individuals earning less than \$100,000 and joint returns earning less than \$200,000. Repeals the incremental increases on standard income tax deduction amounts. Increases the minimum income threshold and exemption amount for the low-income household renters' income tax credit. Removes the tax liability for the first \$100,000 of individual income earned. Establishes the Maui Recovery Special Fund to be used for recovery programs related to the 2023 Maui wildfires. Appropriates funds. Applies to taxable years beginning after 12/31/2024. | ECD, FIN  | 2              | Stalled     | 02/07/2025 - The committee(s) on ECD recommend(s) that the measure be deferred.                                                                                                                                                                                                                                        | KILA, EVSLIN, LAMOSAO, LOWEN, MORIKAWA                                                                                                          |
